Colorado SB 65 and 18-146 Disclosure: Common charges are estimates. The actual charges for healthcare are dependent on the circumstances at the time the service is rendered. If you are covered by health insurance, you are strongly encouraged to consult with your health insurer to determine accurate information about your financial responsibility for a particular service provided by this facility. If you are not covered by health insurance, you are strongly encouraged to contact our billing office at 817-527- 3403 to discuss payment options, discounts, and financial assistance programs prior to receiving care since posted common prices may not reflect the total or actual amount of your financial responsibility.

All patients are encouraged to receive a no charge medical screening evaluation.
